Application Form

Please read the following before filling in the application form

- The Brotherhood of Blessed Gérard has a limited amount of money, which has been donated towards better education for people who the management committee deem to be the neediest and qualify academically to further their studies.
- The fact that you have received an application form does **not** mean that you automatically qualify for a bursary. The management of our organisation will make this decision.
- Although this grant is paid to the educational institution on behalf of the student, it is the student's responsibility to furnish the management committee with his/her results on a regular basis.
- Your application will not be considered if you have not applied for a bursary elsewhere.
- The Brotherhood of Blessed Gérard also strongly requests that the recipient, upon completion of his/her studies should contribute towards Blessed Gérard's Bursary Scheme, to enable others who come after them to have the same chance.
- Should you receive a bursary for one year, you need to **reapply** before the end of the current year for the next year.
- The closing date for all applications is **31st December**. **Any application received after this date will not be considered**
- **Please deliver this form personally to the office of the Brotherhood of Blessed Gérard at 61 Anderson Road, Mandeni.**
